# TQA Cloud
# QMS Software
# for Small Business

## EASY TO USE QMS SOFTWARE
## FOR SMALL BUSINESS

### WE BELIEVE SMALL TO MEDIUM SIZED BUSINESS SHOULD HAVE THE SAME TOOLS AS THE BIGGER PLAYERS!

## QMS Software - designed with small business in mind

With TQA Cloud, you and your team are able to stay competitive while cutting cost and maintaining compliance. Texas Quality Assurance has readied our QMS Software to adhere to the most common standards. We understand your time and resources are valuable and have designed our software with that in mind. Additionally, our software pairs well with our Fractional Quality Management.

TQA Cloud QMS Software is:

- Mobile Ready QMS
- Complete Cloud Based QMS Software Solution
- Customized to the needs of each organization
- Developed specifically for Small and Medium Sized Business

## Microsoft Solution Partners

Texas Quality Assurance is a certified cloud solutions provider as a part of the Microsoft Partner Network. TQA Cloud runs on the Microsoft 365 network. This means you and your team can easily integrate TQA Cloud into your business and your process. Enterprise quality on a small business budget is just a click away

TEXAS QUALITY ASSURANCE + Microsoft = TQA Cloud™
